MINOR PUPPY DOG

1. Pearce & Parkes' Veldtkammer Worth Da Hassle. Very balanced happy male puppy that carries himself well, lovely topline, good bone, good lay of shoulder, long underarm, lovely shape of ribcage and good ribbing, good short loin. Dark eye. Good paws and good tail. Good coat texture, dark red coat colour, excellent pigmentation. Still little loose but never the less moved collected. Slightly sloping croup. I would have liked to see a longer ridge on him. Lovely happy temperament.

2. Bailey's Isiq Gretsky. Balanced dog puppy with good bone, good paws, good front fill for age. Lovely expression, dark eye, slightly roundish skull. Good firm topline, good tail. Slightly upright at shoulder with short underarm which brings the front legs slightly too the front with the deepest point of ribcage not at elbow but further back, would prefer slightly more turn of stifle, turns knee out and movement still loose. Lovely temperament.

PUPPY DOG

1. Kemp's Jaloumi Cheeky Charlie. Bigger sized upstanding puppy dog with strong bone, red wheaten colour, good coat texture. Good topline, very slightly upright at shoulder with a slightly short underarm, good deep ribcage, lovely front fill for age. Croup slightly sloping and loin slightly long, would prefer more defined turn of stifle. Lovely expression. Good paws and a tail that turns slightly from the end. Elbows out on move, slightly close at back, reaches well front the side. Lovely temperament.

2. Parrott's Maradona Jubilant Jelani. Mid wheaten coloured. Lovely balanced puppy dog, good ribcage, ok loin, slightly soft topline and a sloping croup. Ok bone and wide tight and good turn of stifle. Would like to see a stronger underjaw. Lovely solid front. Loved ok coming and going as well as from side. Lovely temperament.

JUNIOR DOG

1. Gray's Kijuvu's Karenga. Balanced dog with super firm topline and short sloping croup, good height, good substance for size, upright at shoulder with short underarm. Good front fill, deep ribcage which comes up quickly, would like to see the ribbing further back and more defined turn of stifle. Lovely expression, would like a darker eye and more underjaw, elbows out right side on the move, otherwise movement ok.

2. Piehl's Kiromol Kubwa Mno. Very balanced wheaten colour junior dog, good firm topline with good slightly short croup, wide thigh and well defined turn of stifle, upright shoulder, excellent bone, excellent paws. I would like more front fill. Lovely head proportions, good underjaw. I would like a darker eye. Moved and showed very well. Lovely happy temperament.

YEARLING DOG

1. Pearce's Veldkammer Rock Me Chick. Very clear red coloured strong structured dog. Excellent good texture. Strong black mask. Excellent head proportions, lovely expression, dark eye. Good neck. Lovely topline. Good ribcage, I would like to see more front fill, frenches out the front. Good strong bone. Ok croup, I would like to see more balance in the back structure with more defined turn of stifle and more defined hock. He moves ok from side, wide from the back. Would have liked to have seen a little longer ridge on him. Two joint vertebraes in the tail. Excellent condition. Lovely temperament.

POST GRADUATE DOG

1. Walton Haddon's Mwenga Special Brew. Overall very balanced dog, carries himself well. Light eye, excellent expression, good head shape and proportions even though stop quite strong viewed from side. Lovely tight front structure. Good ribcage which could continue deep longer, excellent bone, slightly sloping at croup, excellent hind quarters, nice hocks. Slightly long toed. Good tail. Very slightly offset ridge. Moves with good stride and drive but a little unsettled. Would need more practise. Excellent muscle condition.

2. Roberts Isiqha Haansi. Balanced lovely type dog with lovely head with excellent proportions and expression. Lovely red wheaten colour and coat texture. Lovely lay of neck. Good firm topline. Slightly upright at shoulder, short under arm, good ribcage but would prefer it longer, front needs to fill. Good bone for size, good balanced and well defined hind quarters. Good tailset and carriage. I

think needs still some time to reach his full potential. Moved well coming and going as well as from side. Lovely temperament.

MINOR LIMIT DOG

1. Walton Haddon's Mwenga Special Brew.

2. Patounas' Kylini Ijsokki. Lovely overall type, more elegant than many of the other competitors. Excellent head proportions and expression, dark eyes. Would like to see stronger underjaw. Excellent neck. Lovely front fill, slightly upright at shoulder, short under arm. Excellent firm topline and croup. Excellent tailset. Excellent hind quarters. Good paws. Slightly high on leg. Moves well from side, little unsettled in front. Lovely condition. Excellent temperament.

LIMIT DOG

1. Bates Burncote Bushman. Excellent type, excellent head proportions and expression. Good coat texture. Slightly short and thick neck. Excellent shape of ribcage, sloping long croup, short loin, low tailset. Excellent bone structure. Short tibia-fibia bones, therefore the stifle was well as the hock would need to be better defined. Moved and showed very well. Would like to see tighter muscle condition on him. Back gives away slightly. Excellent temperament.

2. Davis' Jaloumi I am Legend from Hesslewell. Lovely eye catching dog of very clear red colour with slight black shading. Short and dense coat. Excellent muscle condition. Lovely expression, dark eye. Good neck. Lovely front fill and capacious ribcage. Upright at shoulder, short underarm. Lovely firm topline. Short croup, ok tail which I though would like to see slightly stonger. I would like more defined turn of stifle on him. Slightly short ridge. Long toes. Moved well from front and back but would have liked to see more reach and drive from side. Excellent temperament.
