

# CHAMPIONSHIP SHOW - 25 September 2005

Judge: Mr Ellis Hulme

There were 196 dogs entered for the Club's Championship Show, a just reward for the hardworking officials and committee, whom I thank for their welcome and hospitality. Bretby Conference Centre, Burton On Trent, is an excellent venue, light and airy, affording a large sized carpeted ring with the most comfortably upholstered arm chaired ringside seating that I have ever seen at a dog show. The standard of competition was high. The males were very varied in size and strength, conformation and movement was the undoing of many, as was the lack of strong heavy bone and elbows close to body that the standard asks for. There was much more uniformity in the bitches with many exciting youngsters which bodes well for the future. Temperaments were excellent, not one sign of aggression. The puppies were a joy and a privilege to judge.
