

# **C**HAMPIONSHIP SHOW 2012 - JUDGE R VOURINEN

It was a great honour and privilege to judge your show and I thank you all for your great hospitality. I would like to thank my Ring Stewards especially the fantastic lady to whom I dictated my critique. The breed is very mixed with very few excellent heads, some too narrow in skull, too short in muzzle, some with incorrect stop, necks OK, lots of flat feet and lack of fore chest the main winners were the exception to this. Ridges were fine, temperaments excellent and most of movement correct so I thank you.
