

It was a great honour to judge in such a BIG event and in such important show. I was astonished with the huge entry, 209!! When I was told I didn't know what to say, just a BIG THANK YOU to all exhibitors. And also, a BIG THANK YOU to my stewards who did a great job. Thanks to it we could finish in a decent hour. And of course, to the organisation THANK YOU!

The place of the venue was the best I have seen, plenty of room for all the exhibitors with their dogs and an exceptional ring, where the dogs could run without problems.

I have liked very much the Ridgebacks of Great Britain. Although the heads are different from the European ones (which I am more used), the proportions are correct and muzzle are strong with good underjaw something that you have to maintain. Both males and females have good substance and strong bones, with correct angulations and really nice chest in 3D (wide, deep and filled). Also, I have found lovely wheaten colour in general and not too dark dogs.

Ridges were excellent, wide and long with symmetrical crowns and good boxes. Temperaments were also good.

My BOB, Ir Ch Walamadengie Coco Chanelle, a really nice female, elegant with substance and nice mover. I liked her strength and stride in movement,

My BOS, Ch.Sofala Joe The Lion, lovely male, also strong but elegant, lovely head and expression and nice mover. It was difficult for me to choose between him and the female for the BOB. Other day they could change positions.

My Best Puppy, Priorpark Pot Kettle Black, a really nice female, good bone and elegant, with nice head and expression. Lovely 3D chest and angulations. I think she has lot of promise.

My Best Veteran, Kitoko Good Golly Miss Molly, lovely oldie in really good condition for her age.

You can be really proud of your Ridgebacks, continue like this. See you soon :)
